### Join the June meeting of the Nordic Society of Medical Mycology

### Nosocomial fungal infection in the ICU

A screenshot of the NSMM website homepage. The header features the NSMM logo (Nordic Society for Medical Mycology) and a cartoon character. A navigation menu on the left lists: NSMM Home, About NSMM, Meetings/Courses, News, Membership, Contact, Useful links, Acknowledgements, and NRMM. The main content area has a "Register NOW!" call to action, a "Next NSMM meeting" section for Oslo, 7 June 2006, focusing on "Nosocomial Fungal Infections" with an image of three statues, and a "See information about previous NSMM events" section with sub-links for "Press", "Presentations", and "Programmes" and an image of a building. At the bottom, there is a "Get the NSMM Brochure" link and a footer with "Web design: Way Ahead" and a "Join the new society:" link.

**For further info, membership and registration!!**

**What is NSMM?**

Nordic Society for Medical Mycology was founded in Copenhagen in August 2003 as a non-profit making scientific association where scientists and clinicians from the Nordic countries meet to discuss all subjects within mycological diseases of man and animals.

E-mail: Peter Gaustad, [Peter.Gaustad@rikshospitalet.no](mailto:Peter.Gaustad@rikshospitalet.no) secretary and Maiken Cavling Arendrup, [mad@ssi.dk](mailto:mad@ssi.dk) president.
