

Annual General Meeting  
10<sup>th</sup> May, 2019  
Helsinki, Finland

## Report from the President

---

### Scientific meetings and courses

15<sup>th</sup> NSMM meeting was held in Oslo “The Whys and Hows of invasive fungal infections”  
24<sup>th</sup> May, 2018. The meeting was well attended.

### European Confederation on Medical Mycology (ECMM) and International Society of Human and Animal Mycology (ISHAM)

Volkan Özenci is our current representative to the ECMM and will participate in the board meeting in during TIMM in October.

TIMM 2019 will be held in Nice 11-14<sup>th</sup> October. Remember that as an NSMM member, you have automatic membership in ECMM as well.

We are an affiliated society to ISHAM, but this has no implication for our members when attending ISHAM meetings. In the board-meeting May 9<sup>th</sup> we discussed whether we should join ISHAM as we do TIMM making all NSMM-members automatic members of ISHAM or whether we should only encouraged our members to join in It costs 48 CHF (42 Euro) annually.

In 2021 the 21<sup>st</sup> congress will be held in New Dehli.

### Other activities

**Board meeting:** in Helsinki 9<sup>th</sup> May 2019.

### Change of the board

Since the AGM in 2017, the board has consisted of the following members:
